

Camp Warwa
Outdoor Education Instructor

Seasonal Full Time

\$275-\$350/week

Start Date: April 20th 2021 or June 28th 2021

End Dates: August 25th 2021 or End of Fall Season 2021

Overview:

Camp Warwa has been providing unforgettable outdoor experiences for youth since 1980. We are a non-profit outdoor education center located 45 minutes west of Edmonton Alberta and provide extensive year-round programs as well as summer camps. We are known for our experience, extensive programs and our inspiring professional community.

During the spring, our clients consist mainly of school groups, as well as youth groups, Girl Guide, and Scout groups. In the summer we run summer camps with each session running from Monday – Friday for campers 7 – 16 years old. Currently, Camp Warwa is looking for outgoing, self-motivated, and professionally minded individuals 18 years and older to work as Outdoor Education Instructors.

If you are passionate about helping make a difference in the life of a child as well as to grow as an outdoor professional, this role would be a great fit. We are known for our experience, diverse programs, and our inspiring professional community. We are looking for people who appreciate children, are passionate about nature and want to live and work in a community environment. Together we'll serve over 7500 children in 2020.

Outdoor Education Instructors will be responsible for attending camp provided training to learn how to facilitate a wide range of camp programs that include: archery, fire building, canoeing, climbing wall, group challenge, orienteering, and more.

In the spring and fall seasons, Outdoor Education Instructors teach our programs and do not provide overnight supervision of campers. In the summer season, Outdoor Education Instructors work primarily as Counsellors. This role is a 24 hour a day job caring for and ensuring health and safety for a group of 8 campers with another Co-Counsellor.

In summer, Counsellors will lead an out-trip with their group. All age groups at Camp Warwa participate in out-trips. Counsellors will work with a variety of age groups throughout the summer season.

Job Requirements:

- Standard First Aid and CPR-C
- Criminal Reference Check and a Child Intervention Check
- Willing to learn to lead recreational activities on the water, at heights, and in all types of weather conditions
- 18 years of age or older

Assets:

- Child care experience
- Residential camping and leadership experience
- An understanding of community and team work
- Problem solving skills and the ability to think critically
- Out-tripping experience
- Certifications in: canoeing, climbing ropes courses, and/or wilderness first aid
